

DIENOGEST tablets (Zalkya® ▼) for endometriosis

The Pan Mersey Area Prescribing Committee does not currently recommend the prescribing of DIENOGEST tablets (Zalkya® ▼) for endometriosis.

GREY

Dienogest is indicated for the treatment of endometriosis.¹

- > This recommendation will be reviewed if a formal application for use is received and prioritised for in-year review.

In the meantime, treatment of endometriosis should continue to follow national guidance, local pathways and local formulary choices:

- > NICE Guideline NG73 [Endometriosis: diagnosis and management](#) (September 2017)
- > NICE Clinical Knowledge Summary: [Endometriosis](#) (February 2020)
- > Pan Mersey APC Formulary [Contraceptives](#)
- > Pan Mersey APC Formulary [Drugs affecting gonadotrophins](#)
